YOUR GUIDES

P and P Tours was set up in 2007 to share our love of Jane Austen and the 1995 BBC production with the world.

Hazel Jones is a Jane Austen addict, having fallen in love with Henry Tilney at eleven years old, although she has since been unfaithful to him with Mr Darcy, Captain Wentworth and Mr Knightley. Her book 'Jane Austen and Marriage' is now a celebrated international bestseller.

'Hazel Jones has written a masterful accounting of the crucial role played by marriage in Jane Austen's novels Brilliantly researched and documented this book offers deep insights... and it is a book that reflects Jane Austen's own penetrating gaze and no doubt will find a place in the library of even the most sophisticated "Janeite".' - Alice Steinbach, Pulitzer Prize-winning journalist and author of *Without Reservations: The Travels of an Independent Woman*.
